
Agreement on the Creation of Project Documentation

On 14 February 2017, Charles University entered into the “**Agreement on the Creation of Project Documentation and the Performance of Engineering Activities**” with the winner of the negotiated procedure without prior publication, the architecture studio “Znamení čtyř – architekti”.

The subject matter of the agreement is the preparation of all stages of the project documentation, comprehensive engineering activities, project supervision, and other related tasks and activity.

The project documentation will be prepared in accordance with the urban-architectural design submitted as a part of the Competition for the Design and the bid submitted in the negotiated procedure without prior publication.

The project documentation will consist of the following stages:

- Completion of the design of the Construction
- Documentation for the zoning proceedings
- Documentation for issuing the building permit
- Documentation for implementing the construction
- A project for the interior
- A project for the laboratory furniture
